

Exam Guidelines

To ensure a fair and secure exam environment, the following rules and restrictions will be enforced during the exam:

1. Fullscreen Mode Requirement:

- The exam must be taken in Fullscreen mode.
- If you exit Fullscreen once, you will receive a warning.
- If you exit Fullscreen a second time, your exam will be automatically submitted.

2. Tab & Window Switching Restriction:

- Switching to another tab or window is strictly prohibited.
- If you switch once, you will receive a warning.
- If you switch a second time, your exam will be automatically submitted.

3. Audio Monitoring:

- Your audio will be recorded throughout the quiz.
- Ensure you are in a quiet environment to avoid unnecessary disturbances.

4. Camera Monitoring:

- Your camera must be enabled for the exam.
- The system will record video during the exam for security purposes.
- You must grant camera permissions before starting the exam.

5. Automatic Submission on Time Completion:

- The exam has a fixed duration.
- When the timer reaches zero, the exam will be automatically submitted.

Key Event Restrictions:

- The following actions are strictly prohibited:
 - Right-clicking.
 - Keyboard shortcuts (e.g., Shift + anyKey, Ctrl+C, Ctrl+V, Alt+Tab, Shift+S, etc.)
 - Developer tools (Inspect Element, Console, etc.)

Important Notes:

- Make sure to take the exam in a distraction-free environment.
- Grant all necessary permissions before starting the exam.
- Any violation of these rules may result in immediate termination of your exam.
